Senmove PE & Movement

Supporting Student's with SEN during PE & Movement Activities

A one day course.

Aim:

Providing you with the knowledge and skills so that you can provide high quality support for students in the PMLD, SLD, ASD and MSI ability range during PE & Movement activities.

Content:

- Understanding of the Senmove Rationale and Senmove Curriculum - how, what and why we want student's with SEN to participate in PE & Movement activities.
- Effective lessons / communication - sharing aims and objectives with those leading the PE & Movement activities.
- Ways of supporting student's - physical and verbal support and best methods of reducing this support.
- What is progress and how do we measure it?
- What do successful lessons look like?
- Examples of how to support students in the following three distinct ability groupings: PMLD & Lower Ability SLD (+MSI) / Higher Ability SLD / Challenging ASD.
- Experience of the range of PE & Movement Activities.
- How to teach / lead small groups or aspects of the PE & Movement activity.

Assessment:

Tutor observations.

Who can attend?

- We welcome any person involved in supporting PE & Movement activities, including: LSA's, HTLA's, sports development staff, adult learning staff; leisure industry staff; respite care staff and parents.
- Any responsible adult who considers themselves fit and healthy enough to actively participate.
- Over 16's only.
